

## OPEN BURNING LOCAL ORDINANCES IN VIRGINIA

Jurisdictions on this list are known or thought to have enacted some form of local ordinance or policy governing open burning. Ordinances governing the open burning of leaves only, and ordinances adopted by their jurisdictions before July 1, 1972, did not have to be approved by the State Air Pollution Control Board or DEQ. Note that many localities incorporate, in whole or in part, the Department of Forestry provisions of § 10.1-1142 (the "4 P.M. Rule"); these localities are not considered to have an open burning ordinance.

An ordinance will likely have been revised since the original adoption date; always check with the locality to make sure you have the correct version of the ordinance.
