for Extension of Comment Response**

Dear Mr. Brown,

On behalf of applicant, Green Ridge Recycling and Disposal Facility, LLC ("County Waste" or Company"), we respectfully request an extension to provide responses to the Additional Information Request Letter dated January 26, 2022. We have been diligently working on providing additional information and data that DEQ has requested and indicated would be helpful in our most recent communications, but additional time will be needed to complete the various investigations, design, and study required to adequately provide the requested information. We therefore ask that the deadline to respond be extended to April 29, 2022 so that we can provide a complete response.

If you have any questions regarding this request, please do not hesitate to contact me.

Sincerely,
