# Tracking via Samsara

## Home

The screenshot displays the Samsara tracking software interface. On the left, a sidebar contains a search bar labeled "Search 35 assets" and a list of tracked assets. The main area is a map of the Arlington and Alexandria, Virginia region, showing various streets and landmarks. A specific asset, "P471 (Jose Benavides)", is highlighted on the map. The asset list on the left includes details such as asset ID, location, and status.
