Dear Mr. Singh:

Thank you for submitting a Virginia DEQ Water Form 7530-2, Notification for Underground Storage Tank(s) and Closure Assessment, which we received on **April 27, 2016**, for the subject facility.

☒ We have updated our files and database to reflect these changes and show that three 8,000 gallon diesel USTs were removed from the ground on March 23, 2016.

Future updates to this information should be sent to this office. Please include the referenced FacID on any correspondence for this site. Should you have any questions, you may call me at (703) 583-3882 or e-mail me at sharon.allen@deq.virginia.gov.

Sincerely,
