

MEETING AGENDA

North Fork Rivanna River Watershed Implementation Plan 2nd (Final) Public Meeting, Greene County Public Library May 5th, 2025 at 5:30pm

Meeting purpose: Using feedback from the previous two community engagement meetings, a cleanup plan, also known as an Implementation Plan (IP), has been completed for the North Fork Rivanna River watershed that identifies corrective actions needed to improve water quality and discusses the associated costs and environmental benefits of the actions. A summary of the plan will be presented at the meeting. Citizens are invited to provide comments on the plan and will learn how they can be part of implementing the plan to improve water quality in the watershed.

- Introductions
- Reminder of where we are in the Cleanup Plan development process/ Updates
- ***Overview of Draft Implementation Plans***
 - Updated best management practices to address agricultural, urban, and residential sources of sediment impairments
 - Outreach strategies
 - Partnership opportunities
 - Potential funding sources
- Next steps:
 - Review of final draft cleanup plan with a public comment period: May 5th – June 4th, 2025.
 - Anticipate submission to EPA for review/approval by Winter 2025/Spring 2026
 - Once the plan is approved, it will be eligible for DEQ Nonpoint Source 319(h) funds. The next opportunity to apply for these funds will be summer 2026 (with activities starting in fall 2027), depending on EPA approval date.
